## Call It Sleep: A Novel Henry Roth

When Henry Roth published his debut novel *Call It Sleep* in 1934, it was greeted with considerable critical acclaim though, in those troubled times, lackluster sales. Only with its paperback publication thirty years later did this novel receive the recognition it deserves?--and still enjoys. Having sold-to-date millions of copies worldwide, *Call It Sleep* is the magnificent story of David Schearl, the "dangerously imaginative" child coming of age in the slums of New York.
